

ALDINE

Investment Strategy

Aldine Capital Partners is a private investment firm, which provides mezzanine and junior capital financing to lower middle-market companies. Aldine typically invests \$2 - \$15 million per transaction in a combination of subordinated debt and equity. Collaborating with both traditional and independent sponsors as well as experienced management teams, Aldine deploys capital to facilitate growth, support acquisitions/buyouts, or provide shareholder liquidity. Our success is built on a collaborative approach that harnesses over 70 years of combined experience and relationships to create tailored capital solutions.
